<b>Total residents</b>				<b>2,703,282</b>	<b>859.8</b>	

Individuals vaccinated by Veterans Affairs or Department of Defense are not included.

Data are preliminary and subject to change.

An additional 193,588 non-San Diego residents and 45,207 persons with unknown location of residence were vaccinated at San Diego County sites.

\*Rates are calculated using 2019 population estimates from the San Diego Association of Governments.

\*\*Rates are not calculated for populations under 1,000.

\*\*\*The percentage and rate of the population vaccinated with at least one dose of COVID-19 vaccine may approach, or exceed, 99% or 999 per 1,000 for San Diego residents 5 years old and older in a particular zip code. The most recent population estimates are 2019 estimates, which may under estimate the current population. The population estimates may not reflect social and environmental changes of a community, possibly leading to an under- or overestimate of a population.

Zip code is zip code of residence, which may not be location of vaccination.

Rates based on small vaccination counts may vary considerably and should be interpreted with caution.

COVID-19 vaccine is not approved for those under age 5 at this time.

Data source: San Diego Immunization Registry, SANDAG 2019 Population Estimates (Prepared June 2020). Total population 5 years of age and older=3,144,061.

Prepared by the County of San Diego, Health and Human Services Agency, Public Health Services, Epidemiology and Immunization Services Branch
